

# GALATIANS

## BEWITCHED AND BOTHERED

Paul makes it personal

They saw God the Son

It was Christ and Christ crucified that Paul had preached in Galatia.

They heard this truth, believed it, and obeyed it

They received the Holy Spirit

It's so important that we understand the work of the Holy Spirit in salvation and in Christian living.

They experienced miracles

Paul uses Scripture

Abraham was saved by faith

Salvation is for the gentiles

This salvation comes through Christ alone

What are you adding to your faith?

What are you adding to Jesus?

Is the Lord asking you to release an add on?
